General Rules

The Woodson County Fair Association reserves the final and absolute right to interpret all rules and regulations, arbitrarily settle and determine all matters, questions and differences in regard to, or arising out of, or connected with the Woodson County Fair, and the right to amend or add to these rules as it determines is necessary. An exhibitor who violates any of these rules will forfeit all privileges and premiums and will be subject to such penalty as the Executive Committee may order.

Any grievance must be filed within 1 hour after the incident in question to either the Fair Board president or vice-president.

See "Special Rules for Youth Division" at the beginning of that section of the fair book for rules specific to 4-H and FFA exhibits and eligibility.

1. In no event shall the Woodson County Fair Association or its officers, directors or members be held responsible for any loss or damage to the property or person of exhibitor or other persons on the fairgrounds whether said loss or damage shall arise from accidents or any cause whatsoever.

2. All 4-H exhibits will be checked out Wednesday from 11 a.m. - 1 p.m. Members will also be expected to help with the buyers' supper and Premium Sale setup.

3. All Open Class non-livestock exhibits must be checked out Wednesday afternoon from 11 a.m.- 1 p.m. Neither the Fair Association nor the superintendents will be responsible for exhibits that are left after check-out time is over.

4. The Woodson County Fair Association reserves the right to accept or reject any or all entries or exhibitors.

5. All entries must be in place by 10 a.m. Monday, except contradictory to special classes. Booths may be set up on Sunday.

6. All exhibits must be in order and open to the public by 9 a.m. and remain so until 9 p.m. each day. **THE FAIR ASSOCIATION RESERVES THE RIGHT TO WITHHOLD PREMIUMS FROM PERSONS VIOLATING THIS RULE.**

7. In classes where there is only one exhibitor, the judges reserve the right to place the entry as they see fit in regard to placing.

8. Open Class premiums will be paid on Wednesday afternoon from 11 a.m. to 1 p.m. in the 4-H Building basement. Premiums not picked up will be returned to the Fair Association.

9. No 4-H premium will be paid until the 4-H record book is turned in to the Extension Office. No FFA premium will be paid until the proficiency record is turned in to the FFA Advisor.

Monarch Butterfly Educational Display Rules

Monarch butterflies were officially put on the Endangered Species List on July 21, 2022. Having the scientific name *Danatus plexippus*, this migratory butterfly is well known for its spectacular annual journey of up to 3,000 miles across the Americas. It is now threatened with extinction due to habitat

loss and climate change. 4-Hers can play a critical role in helping to bring habitat back for the Monarch Butterfly. They can help educate the public on ways to establish food sanctuaries for this butterfly species and help bring them back from the threat of extinction.

1. Exhibits should teach the public about the Monarch Butterfly and/or ways to protect and conserve it. The information could show nectar sources for adult butterflies and food sources for caterpillars, Monarch tagging activities, collection of native milkweed and then packaging it to give to others to plant, a group working together to plant a Monarch friendly garden, et cetera.

2. 4-Hers may create a poster, notebook, standard size tri-fold, diorama, slide show or other visual display that shows information on Monarch Butterflies

3. If a slide show is created, it should be presented on a zip drive along with a printed copy of the presentation.

Eligibility - A 4-H member enrolled in the Entomology Project may exhibit in the ENTOMOLOGY COLLECTION, ENTOMOLOGY NOTEBOOK and/or EDUCATIONAL DISPLAY categories. 4-H members who have been previously exhibited in Notebooks or Educational displays, need to start with the Beginning Phase of Entomology Collections, not the Introductory phase.
