

2022 KAFCE Educational Program Evaluation

The 2022 year is near the end and it would be helpful to look back and review what has been done. Each year the Educational Program Committee seeks to provide lessons/programs for your educational needs, leadership opportunities, community involvement, interests and enjoyment. It has been from your suggestions that future lessons may be selected or written by KAFCE or K-STATE.

Please complete the following survey and questions. For additional space, you may write on the back. The Survey may be completed by an individual or may be by a group of members.

Individuals may check mark (✓) their rankings.

Groups: how many members are providing their opinions? _____ then under each column, indicate the number who are giving their responses for that ranking. For example Unit has 7 members. Lesson was Gaslighting: Most Liked-3; Liked-1; So So-1 NA-2 (two did not attend lesson)=7 responses

Rank Most Liked (informative, enjoyable, worthy of sharing) to Least Liked (not worthy of sharing, not interesting, could explain below.) No Answer (NA) if did not attend nor read lesson.
